Books Due Deadline: Feb. 17, 2010

The Eastern Psychological Audience

Eastern Psychological is the biggest (and we think the best) of the regional psychological exhibits. The usual attendance figure tops 4,000. All areas of the psychological profession are addressed here. Practitioners and academics comprise the bulk of this audience. Course adoptions are a prime concern for many of the professors we see. If there is one regional psychology show that demands your attention, the Eastern Psychological Association's show is the one we recommend. We look forward to working for you there.
