### The Association

The Academy of Management is a leading professional association for scholars dedicated to creating and disseminating knowledge about management and organizations. Members are scholars at colleges, universities and research institutions, as well as practitioners with scholarly interests from business, government and not-for-profit organizations. The AOM has 18,000 members from 103 nations.

### The Meeting

The meeting theme, "*Dare to Care: Passion and Compassion in Management Practice and Research*," dares all of us to care more deeply about our role in our family, in our workplace, and in our society. The theme wants all of us to have passion about what we do and compassion for the people for who we do our work.

The Annual Meeting of the Academy of Management, held each year in August, is the largest annual gathering of management scholars in the world. Attendance is expected to be around 9,000.

We encourage you to send your newest, best titles for maximum exposure.

There is no need for you to attend Academy of Management (AOM). Association Book Exhibit serves as your representative and will:

- Arrange attractive display of all titles, most face-out.
- Distribute "Titles on Display" ordering bibliography to delegates visiting ABE.
